Dear Chair and Members,

Re: PG8.8 - Chapter 694 - Area-Specific Amendment Applications Concerning Electronic Signs

I have been advised that the agent for 750 Spadina Avenue will be making a deputation requesting that Recommendation 3 be deferred to allow time for a meeting with me to discuss their application.

While I cannot support this third-party sign application, I have agreed to meet with the applicants as a courtesy, should the Committee choose to grant the deferral.

Sincerely,

A handwritten signature in black ink, appearing to read 'Joe Cressy'. The signature is fluid and cursive, with a long horizontal stroke at the end.
