Re.: **PW3.3: Proposed 30 km/h Speed Limit Policy**

Dear Councillor Robinson and Members of the Public Works and Infrastructure Committee:

The Leaside Property Owners' Association, Inc. expresses its support for establishing a 30km/h speed limit across the city, as defined in Item PW3.3, to be discussed at your Committee on Thursday 9 April 2015.

We support this measure as an important means of improving the safety of our local residential and collector roads. We feel that a uniform speed limit of 30km/h will be easier for drivers to obey, and for the police to enforce, than the varying speed limits currently within each neighbourhood.

Leaside is not the only part of the city which has experienced tragedy due to speeding motor vehicles. If this measure makes our streets safer, as we believe it will, it is a measure worth adopting.

Thank you for considering these comments.

Yours truly,
Carol Burtin Fripp and Geoff Kettel,
Co-Presidents.
