

CONDOLENCE MOTION

Moved by: Councillor Josh Matlow

Seconded by: Councillor Mary-Margaret McMahon

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Carley Elle Allison on March 31, 2015 at the age of 19.

Carley was a singer, an accomplished figure skater, a student at Queen's University and recently named to Post City Toronto's "Top 20 Under 20" list. She was also closely associated with AppleTree Markets farmers' market at June Rowlands (Davisville) Park in Ward 22.

Two years ago, Carley was diagnosed with cancer. Ambitious and active as ever, though, she became a tireless advocate for youth fighting cancer and raising money toward cancer research, including the Concert for Carley at June Rowlands (Davisville) Park in July 2014. All proceeds from the concert were donated to the Oncology ward at Sick Kids Hospital.

Carley will be deeply missed by her parents Mark and May, her sisters Riley and Samantha, her many friends and everyone she inspired during her journey with her bravery and joy for life.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Carley Elle Allison's family.
