

## CONDOLENCE MOTION

**Moved by: Councillor Mike Layton**

**Seconded by: Councillor Ana Bailão**

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Mark Attallah on April 21, 2015.

Mark was a member of Carpenter's Local 27. He was working on an extension to the Core Meadows Community Centre when a mobile crane he was working nearby failed.

Mark leaves behind his wife Barbara, son Ryan and daughter Keira.

Mark had dedicated his life to building the cities and communities we live in. Health and safety on the job, in our cities and in communities must be protected to ensure that each and every worker returns safely home after a hard day's work.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Mark's family.
