

## **CONDOLENCE MOTION**

**Moved by: Councillor Pam McConnell**

**Seconded by: Councillor Paula Fletcher**

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Peter Ongaro on Tuesday July 14, 2015.

Peter Ongaro was a Refrigeration and Filtration Mechanic for Parks, Forestry and Recreation in the Toronto East York District and was an employee with the City of Toronto for over 24 years.

He was a very spirited and amiable employee and was well-known by his colleagues. Peter rose to everyday challenges and was dependable, reliable and ready at a moment's notice. Through the stories he shared, to his deeply contagious laugh, Peter would make friends wherever he went. Peter loved the great outdoors and would spend as much of his spare time at his cottage or on his motorcycle when he wasn't at work.

His passing is a great loss for the City of Toronto, his work colleagues and his friends. He will be missed.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Peter's family.
