

STAFF REPORT ACTION REQUIRED

Parking Prohibition Review – Bellamy Road North

Date:	August 11, 2015
To:	Scarborough Community Council
From:	Director, Transportation Services, Scarborough District
Wards:	Ward 38 – Scarborough - Centre
Reference Number:	P:\2015\Cluster B\TRA\Scarborough\sc1569.docx D15-6798593 Bellamy Road North – Parking Prohibition

SUMMARY

This report recommends amendments to the parking regulations along a portion of Bellamy Road North south of Progress Avenue to enable on-street parking next to a recently established dog park and exercise area.

By amending the current No Parking Anytime regulation by-laws on this section of Bellamy Road North and permitting default parking up to a maximum of three hours, the public will be provided an opportunity to park and access the new dog park.

RECOMMENDATIONS

Transportation Services recommends that:

1. City Council rescind the parking prohibition in effect at all times on both sides of Bellamy Road North, from Progress Avenue to Lynnbrook Drive/Amberjack Boulevard.
2. City Council prohibit parking from 7:00 a.m. to 9:00 a.m. and 4:00 p.m. to 6:00 p.m., Monday to Friday on the east side of Bellamy Road North, from a point 159 metres south of Progress Avenue to a point 60 metres further south.
3. City Council prohibit parking at all times on the west side of Bellamy Road North, from Progress Avenue to Lynnbrook Drive.
4. City Council prohibit parking at all times on the east side of Bellamy Road North, from Progress Avenue to a point 159 metres further south.

5. City Council prohibit parking at all times on the east side of Bellamy Road North, from a point 219 metres south of Progress Avenue to Amberjack Boulevard (north intersection).

Financial Impact

The financial cost of amending the parking regulations is approximately \$500.00. The funds for these signs are available in the Transportation Services 2015 Operating Budget, within Cost Centre TP0397.

ISSUE BACKGROUND

Councillor Glenn De Baeremaeker has requested that staff review the feasibility of amending the current parking prohibitions in order to accommodate short term parking on the east side of Bellamy Road North in the vicinity 1149 Bellamy Road North.

The request followed the opening of a dog park to the southwest of the Scarborough Animal Centre located on Progress Avenue. Public access to this recreation facility is on Bellamy Road North. However, No Parking Anytime regulations currently exist on this section of road.

COMMENTS

The following characteristics describe the area cited for on-street parking changes:

- Bellamy Road North south of Progress Avenue is classified as minor arterial road with a regulatory speed limit of 50 km/h.
- The immediate area is comprised of commercial and industrial complexes.
- Sidewalks and light standards are located on both sides of Bellamy Road North.
- The average annual daily traffic on Bellamy Road North just south of Progress Road is 18,065 vehicles per day (9,697 northbound and 8,368 southbound as recorded on April 11, 2013).

By amending the current No Parking Anytime regulation by-laws on this section of Bellamy Road North, the public will be provided with on-street parking next to the new dog exercise park during off-peak hours.
