Re: Resignation from the Heritage Toronto Board

Dear Ulli,

I submit this letter as my resignation from the Board of Heritage Toronto. As you may know, the size of ward 23 and its associated demands in addition to my current focus on other subject areas has made it impossible for me to incorporate this board's work into my schedule and give it the attention it deserves.

I had not asked to be a member of the Board and was not aware that my name had been put forward by the Striking Committee when appointments were made by Council in December 2014.

I regret that my schedule prevents me from participating with this very worthwhile organization and wish the Board every success for the current term.

Sincerely,

John Filion
Toronto City Councillor
Ward 23 - Willowdale
