Toronto, ON M5H 2N2

Dear Coucillor Fletcher,

As you know, we are in the process of building our brewery at 36 Wagstaff Drive in Ward 30. A key component of our brewery operation will be giving customers the opportunity to purchase and consume samples of up to 12 oz. of our beer on site at the brewery during operating hours every day between 11 a.m. and 9 p.m. Sampling not only provides guests with the opportunity to try a product before they buy it but also enhanced the educational experience of their visit.

In order to make this practice part of our operations, we require a Manufacturer's Limited Liquor Sales Licence to be issued to us by the AGCO. Part of the application for such a license requires a resolution from Municipal Council in support of the issuance of a "By The Glass Limited License".

The purpose of this letter is to request your assistance at the upcoming Toronto East York community council meeting with receiving this municipal resolution. Please let us know if you have any questions and if this is something you can help with.

Sincerely,

Mandie Murphy
