SUMMARY

Transportation Services is requesting approval from City Council to amend the boundary of permit parking area 6P.

Transportation Services has assessed the realignment of permit parking area 6P to exclude the property located at 592 Sherbourne Street as requested by Toronto and East York Community Council on January 13, 2015. We are recommending approval of the realignment as it will not impact negatively on the Permit Parking Area.

RECOMMENDATIONS

Transportation Services recommends that:

1. City Council approve the amendment to Schedule B of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to incorporate a revised map of permit parking area "6P", as attached in Appendix "A" of the report (March 16, 2015) from the Manager, Right of Way Management, Transportation Services, Toronto and East York District.

FINANCIAL IMPACT

There is no financial impact associated with this report.

ISSUE BACKGROUND

Toronto and East York Community Council at its meeting of January 13, 2015 in considering item TE3.2 requested the General Manager, Transportation Services to review and report back to Toronto and East York Community Council regarding the realignment of parking area 6P and the exclusion of the subject site 592 Sherbourne Street from Permit Parking area 6P.

COMMENTS

Permit Parking area 6P is bounded by Bloor Street East, Sherbourne Street, Isabella Street and Huntley Street. Area 6P has 66 on-street parking spaces. To date, 33 permits have been issued. This area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces. There is TTC service on Sherbourne Street.

The Councillor and residents neighbouring 592 Sherbourne Street support this action as a means of ensuring that this new development does not negatively impact the Permit Parking supply to the existing neighbourhood.

Transportation Services has no objection to the exclusion of 592 Sherbourne Street from permit parking area "6P".
