SUMMARY

The Bathurst Quay Neighbourhood Plan Study was initiated in response to concerns and questions arising through the review of the existing Billy Bishop Toronto City Airport operations, and Porter Airline's request to amend the Tripartite Agreement that governs the operation of the airport.

The Bathurst Quay Neighbourhood Plan Study Area is generally bounded by Lake Shore Boulevard West to the north, the eastern edges of Coronation Park to the west, Lake Ontario to the south and the western edge of the Music Garden to the east.

A Status Report on the Study that provides an overview of the work completed to date and the preliminary findings in relation to guiding principles, preliminary concept plans and a vision for the future of Bathurst Quay will be submitted to Toronto and East York Community Council for its meeting of June 16, 2015.
