Re: Re-opening of item TE3.47 – Parking Regulations – D’Arcy Street

The Toronto and East York Community Council, at its meeting on January 13, 2015, adopted the report (November 28, 2014) from the Director, Transportation Services, Toronto and East York District, headed “Parking Regulations – D’Arcy Street”, wherein it recommended that Community Council approve the rescission of the parking prohibitions on the south side of D’Arcy Street, within 36 metres east of Huron Street and within 40 metres west of Beverley Street.

Further, the Toronto and East York Community Council enacted By-laws [169-2015](#), [170-2015](#), [171-2015](#)

Since the change, we have been made aware that Wheel Trans users are experiencing difficulty in accessing a pick-up/drop-off location on the street. The proposed revisions will allow Wheel-Trans vehicles to pick-up/drop-off on the south side of D’Arcy Street, east of Huron Street.

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. Re-open item TE3.47, headed “Parking Regulations – D’Arcy Street”, only with respect to Recommendations 3 and 4.
2. Delete Recommendations 3 and 4 of the Toronto and East York Community Council in item TE3.47 and replace them with following Recommendations 3, 4 and 5:
3. Amend the existing “Parking machine regulation in effect from, 8:00 a.m. to 9:00 p.m., Monday to Saturday and 1:00 p.m. to 9:00 p.m., Sunday, at a rate of \$2.00/hour, for a maximum period of 3 hours”, on the south side of D’Arcy Street, between McCaul Street and Huron Street, to be in effect from McCaul Street to a point 18 metres east of Huron Street.

4. Amend the existing "Permit Parking, 12:00 a.m. to 7:00 a.m." regulation on the odd (south) side of D'Arcy Street, between McCaul Street and Huron Street, to be in effect from McCaul Street to a point 18 metres east of Huron Street.
5. Prohibit parking at all times on the south side of D'Arcy Street, between Huron Street and a point 18 metres east.

Sincerely,

Joe Cressy
City Councillor
