Re: Permit Parking Hours on Wolfrey Avenue from Bowden Street to Hampton Avenue

Dear Chair & Members,

Residents on Wolfrey Avenue from Bowden Street to Hampton Avenue have expressed concern to me about difficulty finding permit parking space on their block. Unlike other streets in the immediate neighbourhood, there are currently no restrictions on non-permit holders during the day.

The majority of residents on this block have requested a modification to the parking by-law to limit parking for non-permit holders to one hour from 11:00am to 6:00pm, Monday to Friday.

Therefore, it is recommended the Toronto and East York Community Council:

- 1) Allow parking for a maximum period of 1 hour from 11:00am to 6:00pm, Monday to Friday, on the north side of Wolfrey Avenue, between Bowden Street and Hampton Avenue

Sincerely,

Councillor Paula Fletcher
