Application for Letter of Municipal Significance
December 2nd, 2014

Event: Blockspace II

Location: The CineCycle (129 Spadina, Coach House), M5V 3A8

Date: Tuesday, December 30th

Time: 3pm - 2am

Purpose:

Blockspace II is the second instalment of an ongoing event series. This particular event has 5 emerging artists producing installation work to fit with the theme of "Bringing Outside Inside".

It is also the release of a compilation CD archiving local musical talent, in conglomeration with Toronto's free art and music newspaper, *Offerings*.

In the spirit of community, accessibility, and affordability, the BLOCKSPACE event series fuses the local visual arts and music scene with a combination of design, installation, projection and performance. BLOCKSPACE is a reworking and a celebration of public space.
