Subject: Toronto Event Letter of Municipal Significance Request

Dear Councillors,

I am applying to request to host an event of Municipal Significance. Our event is called Beringer Brunch and it is an afternoon brunch party hosted in Toronto 3-4 times per year to connect young professionals working in various fields in the city's downtown core. The event includes local chefs, musicians, artists, and performers and is a very interesting cultural event for young professionals in the city. We are constantly finding new ways to incorporate vibrant local talent for guests to witness and also to network with each other. We believe that this is an event of Municipal Significance as it is a unique opportunity to showcase young, local talent and bring together young professionals in a creative event setting. We would love your approval to continue to host this wonderful event.
