**Re: Request to Attain Municipal Recognition for 'Toast to Autumn' Event**

Bloor by the Park BIA is hosting its fifth annual fall festival, Toast to Autumn, on Sunday **October 25th** at **Lithuanian House**, Hall A, from **12-7pm**. Activities will include live music, food/drink booths, arts vendors, giveaways, children's crafting and various other interactive activities. Admission is free to the public.

Some participating local bars/restaurants will be offering seasonal beer and specialized alcoholic beverages to age-appropriate patrons while at Lithuanian House. Due to this promotion, the BIA is requesting a letter of municipality in regards to approving an SOP from the AGCO.

The BIA has thoroughly examined the SOP application and understands all provisions. Security will be hired to maintain the safety of the public.

Toast to Autumn is a unique event that enhances community relations within Bloor by the Park, surrounding neighbourhoods, and more recently, visitors from abroad. Participating businesses and sponsors are able to promote their wares and services while ultimately taking the opportunity to welcome and thank their patrons as they enjoy the festivities.

Thank you kindly for your time and consideration,

Weslie Guca  
Coordinator, Bloor by the Park BIA
