Attention: Ulli S. Watkiss, City Clerk

RE: 811-813 Broadview Avenue, Toronto - Hearing - November 10, 2015 11:00 a.m.

Please be advised that I will be requesting that City Council defer any discussion or action on the above noted matter for at least three months in order for me to instruct counsel and to attempt to arrive at an amicable settlement with the local municipal councillor. I require this time due to the extremely short notice that I received and the extremely severe financial consequences that will ensue if this motion is passed. Council must not only be just but must also appear to be just. The circumstances which brought this motion to council must be examined.

Yours very truly

James Naumovich
