Re: TOcore: Planning Toronto's Downtown - Phase 1 Summary Report and Phase 2 Directions

Dear TEYCC Members

I strongly support the TOcore Phase 1 Report and recommended Directions for Phase 2. If you, the members of TEYCC, and the TOcore team can make these objectives happen, the downtown core of our Toronto will be a better place.

Duplication of Terms:

I would like to point out a duplication of names that may not be obvious to someone outside the community.

The not yet built Clover Hill Park, located in Ward 27 at the northwest corner of Bay/St. Joseph Streets, was officially named about 5 years ago in a joint effort of the community and the city. Previously, it had been identified by the address of the development attached to the park site, namely, 50 St. Joseph Street Development, now known as U Condos. Consequently, the 2 names appear but in reality mean only one park/one location.

I request that the name 50 St Joseph Park be removed from your report and the name Clover Hill Park be the sole identifier for this park.

Location of the duplication: [Page 48 Attachment 3 in the TEY report.](http://www.toronto.ca/legdocs/mmis/2015/te/bgrd/backgroundfile-85168.pdf)

The TO core Phase 1 Report is a good report that very much needs to be put into action, the faster the better!

Respectfully,

Kathryn Holden
