Dear Board of Directors:

As part of our annual audit of your financial statements for the year ended December 31, 2015 we wish to report to you on our findings.

We wish to thank Grant Humes and the organization's staff for assisting us during the audit. Based on our materiality of \$24,000, there are no material differences nor were there any significant unrecorded items.

We would like to report to you the following financial reporting matters.

*Related party transactions*

We have not identified any related party transaction in the course of our audit.

We have not noted any significant internal control matters. Though the segregation of duties is important to having a high degree of internal controls, we understand that this may not be feasible due to the limited number of personnel in the accounting and finance areas.

Yours very truly,

ROSENSWIG McRAE THORPE LLP
