#### Summary

Toronto Atmospheric Fund (TAF) has submitted a draft 2016 Operating Budget to the City for review and approval. TAF is a self-funded agency with net zero impact on the City's Operating Budget. The City's Budget process is in progress with final approval expected in early 2016. Toronto Atmospheric Fund's 2016 budget has been prepared based on key drivers of revenue and expenses, and is attached for Board approval. Finally, it is also recommended that the Grants Fund be consolidated into the Operating Fund by 2015 year-end.
