SUMMARY

The purpose of this report is to seek further instruction given the potential for an Ontario Municipal Board (OMB) hearing on the above-noted matter. In general terms, the proposal is for a mixed-use building of 29 stories, with a density of 11.4 times site area. Council previously authorized a settlement in principle for a zoning by-law for the development proposal. This report seeks Council instructions with respect to revisions proposed by the applicant.

RECOMMENDATIONS

The City Solicitor recommends that:

1. City Council adopt the recommendations contained in the Confidential Attachment 1 to this report.
2. The recommendations contained in the Confidential Attachment 1 to this report be made public at the end of the Council meeting if adopted. All other information contained in Confidential Attachment 1 is to remain confidential.

Financial Impact

Adopting this report will have no financial impact beyond what has already been approved in the current year's budget.

DECISION HISTORY

The adjacent owners of the properties at 2360-2378 Yonge Street and 31, 33, 35 and 37 Helendale Avenue each filed and then subsequently appealed their zoning amendment applications to the Ontario Municipal Board (OMB) due to Council's failure to make a decision on each within the time allotted by the *Planning Act*.

Subsequently, the owners of the Yonge Street site purchased the Helendale Avenue site and filed a consolidated application. Council provided approval in principle to that development proposal at its meeting on July 8, 2014. Further information on that approval in principle is available at:

<http://app.toronto.ca/tmmis/viewAgendaItemHistory.do?item=2014.MM54.21>

Thereafter, the applicant sought revisions to the built form along with an increase in the unit count. On February 3, 2016, Council considered the confidential Directions Report of the City Solicitor and authorized the City Solicitor to support those built form revisions. For an outline of those revisions and a more detailed overview of the development proposal, see:

<http://app.toronto.ca/tmmis/viewAgendaItemHistory.do?item=2016.CC12.8>

Thereafter, the applicant sought revisions to the parking provisions for the proposal. Council established its position to refuse the proposed revisions in its decision dated June 7, 2016. However, further discussions with the applicant since that time have resulted in the need for this Report and for Council's decision in that regard. For a copy of Council's decision dated June 7, 2016 see:

ISSUE BACKGROUND

Further proposed revisions to the proposed parking requirements for the proposal have resulted in the need for further directions from City Council.
