Hi Abbie,

Yes this is to revise the offer for the master plan. The site plan sent earlier is still part of the offer (showing the existing office on the south portion).

Thanks Lauren. Could you please reply and confirm that this plan is intended to revise the offer?

Hi Abbie,

See attached for the updated clean master plan showing the reduced podium heights and revised office.

Let me know if the attachment doesn't go through as my phone has been acting up.
