**Attachments:** DWF 2016 Patio list v2.xls

Hello and thank you Ros.

I am sending you the attached file, which has an updated list of potential patio extensions for Dundas West Fest on June 11, 2016, for the upcoming council meeting.

I hope this is not too late, but I'm trying to foresee as much as possible and in this area there is always much turn-over. There is still one establishment whose new name I don't know, but the address is the same and the liquor license will be transferred.

Thank you

And all the best for your retirement if we don't communicate before March 24!
