To the City Clerk:

Please add my comments to the agenda for the March 31, 2016 City Council meeting on item 2016.ED10.7, Toronto Music Strategy: An Action Plan

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

Sherwood Park Residents' Association is concerned about allowing more amplified sound in City parks and public spaces. The proposed Toronto Music Strategy should be deferred for further review by the Parks Committee at least.
