Subject: Community Groups -- Report EX 13.2
Date: Thursday, April 28, 2016 6:56:42 AM

Hello,

As a community group we work as an independent organization alongside few low community members, councillors Fletcher and Fragedakis, and businesses to make our neighbourhood safer and more vibrant. We are volunteers who spends countless hours working towards this goal.

We feel that forcing us to register as lobbyists and imposing bureaucratic roadblocks will make our goals much more challenging by blocking access to our elected officials.

We are opposed to this motion and hope that it won't be pushed forward.

Scott Bradley, Co-Founder
