RE: BLOOR STREET BIKE LANES

Local 416 is raising concerns as to how this will affect the Local 416 Collection Operators within Solid Waste Management Division with respect to garbage pick up in this proposed pilot project. They also have concerns with the Local 416 employees of Toronto Parking Authority collecting from the parking machines in this proposed area and the financial impact it will have due to loss of revenue.

Respectfully,

Matt Figliano, Vice President
TCEU Local 416 - CUPE
