To whom it may concern,

Toronto will be hosting the annual Ethiopian Soccer Tournament between the dates July 2 - July 10. Hirut Cafe & Restaurant will be having multiple live shows throughout that week. The basement at Hirut will need to be used during shows but does not have a liquor licence currently. A liquor licence for the basement is essential for a fluid experience for customers. The main floor at Hirut already has a liquor licence (licence #: 813814) but would like a Letter of Municipal Significance to allow the basement to hold a liquor license for these events as well.

**Summary:**

Date: July 2 - July 10

Time: 11:am - 2:am

Location: 2050 Danforth Ave (basement)

Event Name: Ethiopian Soccer Tournament

Thank you for your Consideration,
