Hello Ellen & Melissa,

Please accept the attachments for our request with city council to support our application again this year for the extension of liquor service hours to 4:am for the 8 specified days of TIFF (Sept 8, 9, 10, 11th [main event] & Sept 15,16,17, 18th). Remington's Men of Steel has been granted the extension for 2014 and 2015 with the strong support of councilor Wong-Tam. Remington's is Toronto's only licensed all male adult entertainment night club in the city of Toronto catering to the LGBT and Str8 community. The Toronto International Film Festival as you may be aware is comprised of a large LGBT community and they seek an establishment where they can network after the screenings and event parties.

We hope that you can add this request for extension to the agenda and give the community a show of support for TIFF again this year.

Remington's Men of Steel is in good standing with the city of Toronto, Revenue Canada, AGCO and TPS.

The extension is requested strictly for the current indoor licensed areas. There is no outdoor licensed areas.

Thank you

Dave Auger
