Hi Ellen,

I am applying for two temporary extensions under BMO Field's liquor license (#812542) for the following dates and events:

- **Saturday, December 31, 2016** – NHL Centennial Alumni Game, BMO Field
- **Sunday, January 1, 2017** – NHL Centennial Classic, BMO Field

I have submitted paperwork for an 'extension of hours' regarding the above dates with the AGCO. We are hoping to begin the sale and service of alcohol at 9:00a.m. for our Spectator Plaza, with gates scheduled to open at 10-10:30a.m. inside the venue. Alcohol will be served in two temporary bleacher seating areas; one on the north side and one on the south side. Once gates are open to fans, they may proceed to their ticketed seats.

I will send a map outlining the spectator plaza and two new temporary bleachers, once the design has been finalized. If you require any other details, please don't hesitate to ask.

Thank you in advance.

Sincerely,
