*Re: City of Toronto Basketball Development Plan (Reference CD16.1)*

November 28, 2016

Dear Carol,

On behalf of Ontario Basketball (OBA), please consider this letter in support of the City of Toronto Basketball Development Plan being considered by the Community Development and Recreation Committee.

As the governing body for basketball in the province, OBA's mission is to provide leadership and structure to enable the sport of basketball to flourish. Our organization has been engaged throughout the process and we are fully supportive of this plan to support basketball in Toronto.

If you require anything else to support this initiative please let me know.

Sincerely,

Jason Jansson  
Ontario Basketball Association  
Executive Director
