Summary

Carla Kisko, Associate Director, Finance and Operations, Toronto District School Board (TDSB), and Chris Brillinger, Executive Director, Social Development, Finance and Administration, City of Toronto, will give a presentation on capital budget issues facing the City-School Boards partners. This presentation comes in response to a request from TDSB Trustees for an update on TDSB's capital funding situation. The presentation includes a short profile of the capital funding pressures experienced by each of the school boards and the City, respectively, and concludes by describing the shared public infrastructure challenge - and opportunity - that we face together in Toronto.
