RE: 2017 WORLD POLICE & FIRE GAMES

The opportunity has arisen for the City of Toronto to host the 2017 World Police & Fire Games.

The World Police & Fire Games are the second largest multi-sport event in the world, next to the Summer Olympics. This is a great opportunity to capitalize on the venues and infrastructure that made the 2015 Pan Am/Parapan Am Games.

The Toronto Professional Fire Fighters' Association looks forward to working with the Toronto Police Association, Toronto Fire Services, Toronto Police Services and the City of Toronto to make these games both a reality and a success in 2017.

We encourage Toronto City Council to support this initiative, one that will not only bring Police & Fire Fighters from around the world to the City of Toronto but one that will provide significant economic benefit to the City and its residence.

Thanks, in advance, for your consideration.

Sincerely,

Frank Ramagnano
President
