**Attn: Toronto City Councillors,**

On behalf of the Toronto Police Association and the Toronto Planning Committee, I am enthusiastic to announce the opportunity to host the 2017 World Police & Fire Games in Toronto.

The World Police & Fire Games will attract over 12,000 participants and visitors from around the world to this city. It is an opportunity for Toronto to showcase its facilities, attractions, culture, and people. Toronto is a world-class city about to host a world-class event. For the thousands of participants from emergency services, it's an opportunity to come together in recreation and unity, and to celebrate diversity and life, through sport.

The Toronto Police Association represents nearly 8,000 members, both uniform police officers and civilian employees. I can assure you that the members of our association are prepared to contribute towards making the 2017 World Police & Fire Games in Toronto the best games in its history.

We look forward to working with the City of Toronto and doing everything we can to support this important international event.

Sincerely,

TORONTO POLICE ASSOCIATION

Mike McCormack  
President
