Toronto Water 2016 Capital Budget and 2017-2025 Capital Plan Budget Adjustments

Committee Decision

The Budget Committee recommends that:

1. City Council authorize the reallocation of funds within Toronto Water's approved 2016 Capital Budget and 2017-2025 Capital Plan in the amount of \$28.204 million, for acceleration and deferral of projects, as presented in Schedule A (Part A and B) to the report (June 7, 2016) from the General Manager, Toronto Water, with a zero Budget impact.
2. City Council authorize the reallocation of funds in Toronto Water's approved 2016 Capital Budget and 2017-2025 Capital Plan in the amount of \$15.8 million from projects that have been completed or delayed to those requiring additional funding in the same amount as presented in Schedule A (Part C) to the report (June 7, 2016) from the General Manager, Toronto Water with a zero Budget impact.

Summary

This report requests City Council's authority to amend Toronto Water's Approved 2016 Capital Budget and 2017-2025 Capital Plan by adjusting project costs and cash flows contained within the Budget and Plan, respectively, to align the 2016 Capital Budget with changes made to the 2015 Capital Budget at year end. Additional reallocations to project cashflows and project costs are requested where recent project estimates exceed the current approved cashflow. These reallocations will allow Toronto Water to continue to deliver projects within its capital plan. The adjustments will have a zero dollar impact on the 2016 Capital Budget and 2017-2025 Capital Plan and will align the 2016 Capital Budget to Toronto Water's capital project delivery schedule and program requirements.
