## Disability, Access and Inclusion Advisory Committee

DI10.6	Presentation	Amended		Ward:All
--------	--------------	---------	--	----------

### Older Women's Network Presentation on Universal Design in New Multi-Unit Residential Construction

#### Committee Decision

The Disability, Access and Inclusion Advisory Committee recommends to the Executive Committee that:

1. City Council endorse the Living in Place campaign to promote universal design in construction of all new multi-residential buildings and to support the objectives to amend the Provincial Building Code to ensure accessibility and inclusivity for all.

#### Decision Advice and Other Information

Ronny Yaron, Older Women's Network gave a presentation to the Disability, Access and Inclusion Advisory Committee on the need for universal design in new multi-residential construction and on an event planned for fall 2016.

#### Summary

Ronny Yaron, Older Women's Network and Thea Kurdi, Member of the Older Women's Network and Founder of the Association of Design Professionals for Accessibility will give a presentation to the Disability, Access and Inclusion Advisory Committee on the need for universal design in new multi-residential construction and on an event planned for fall 2016.
