#### City Council Decision

---

City Council on November 8 and 9, 2016, referred Motion MM22.1 to the Executive Committee.

#### Recommendations

---

Councillor Norman Kelly, seconded by Councillor Jon Burnside, recommends that:

1. City Council request the Toronto Police Services Board to review the possibility of designating areas in police stations for residents to meet buyers/sellers of classified ads.

#### Summary

---

Many residents in Toronto utilize classified ads to purchase and sell products. Although many deals can be found through these ads, there is always a risk when meeting a stranger in person. To mitigate this risk, designated areas in police stations, such as a couple of parking spots, will help residents safely conduct these transactions.
