

Public Notice**2017 Rate Supported Budgets - Solid Waste Management Services and Recommended 2017 Solid Waste Rates**

Notice is hereby given that City officials are recommending to Toronto City Council the enactment of a by-law amending the City of Toronto Municipal Code Chapter 441 - Fees and Charges; and any other Municipal Code Chapters as may be required to give effect to the following as of January 1, 2017:

- a 5.2% rate increase to all Single Family Residential and Residential Unit Above Commercial (RUAC) properties;
 - a 1% rate increase to properties that receive Multi-Residential Front-end Container and Multi-Residential Curbside collection services;
 - a 5.2% increase to all other Solid Waste rates and fees currently in Schedule 1 of Appendix A of Chapter 441 (available at http://www.toronto.ca/legdocs/municode/1184_441-a.pdf), unless otherwise indicated in Appendix A of this Notice; and
 - the introduction of:
 - an annual fee, per dwelling unit, for Single Family Residential and Multi-Residential properties for providing the collection of oversized material which does not otherwise fit in the standard, City-issued curbside garbage bins or front-end containers, regardless of whether the service is used;
 - a harmonized commercial bag-only collection base fee, over and above the purchase of City-authorized Bag Tags/Yellow Bags. This fee will be applied to all commercial customers that are on bag-only service;
 - fees for the safe disposal of fluorescent tubes at City Household Hazardous Waste Depots. The fees are based on the number of units and size of units disposed; and
- an hourly fee for the general cleanup of waste materials generated as a result of Special Events where Solid Waste Management Services provided collection and disposal services.

Appendix A includes all the changes in the recommended 2017 Rates and Fees.

The particulars of the proposed Solid Waste Management Services rates and fees are set out in the report to the Budget Committee of Toronto City Council from the Deputy City Manager and Chief Financial Officer entitled "2017 Rate Supported Budgets - Solid Waste Management Services and Recommended 2017 Solid Waste Rates", (the "Report").
