ISSUE BACKGROUND

In advance of the opening of the new community centre in Ward 12, this report serves to formally adopt the name York Community Centre.

The community centre has been informally called York Community Centre since the adoption the Official Plan Amendment Application for the new community centre in February, 2012.

The proposed official name has the support of the local councillor and meets the policy criteria in the council-approved *Property Naming Policy* in that it is named for the geographic location of the property.

No formal requests for alternative names as per the council-approved *Property Naming Policy* have been officially proposed.
