As a means prevent future water pooling and safety hazards, this motion is seeking to direct staff of Transportation Services to conduct a driveway apron cut to allow the grade level of the driveway apron at 3013 Weston road to slope gradually to the curb and abutting public road.

RECOMMENDATION:

- 1) Etobicoke York Community Council direct staff, Transportation Services to conduct a driveway apron cut at 3013 Weston Road, to allow the grade of the apron to slope to the grade level of the curb and street.

Kind Regards,

Councillor Giorgio Mammoliti, York West
