Re: "Healthy by Design: Active Apartment Neighbourhoods"

This is to confirm that the project: Healthy by Design: Active Apartment Neighbourhoods", submitted by the Toronto Public Health has been approved for funding through the Multi-sectoral Partnerships to Promote Healthy Living and Prevent Chronic Disease Program.

The project funding has been approved at the level of \$ 2,502,840 over 60 months. Public Health Agency of Canada officials will be initiating the preparation of the contribution agreement which must be signed by both parties to finalize approval.

Sincerely,
