**Re: Active Apartment Neighbourhoods Project**

Dear Mr. Macfarlane,

I am pleased to collaborate with Toronto Public Health on the Healthy by Design: Active Apartment Neighbourhoods project.

Further to our discussions during planning the project details, I would like to confirm that we intent to retain SUSTAINABLE.TO Architecture + Building as the lead contractor to oversee the planning and design work at the project site located at 4000 and 4010 Lawrence Avenue East.

The proposed project by Toronto Public Health will be building on the work conducted by SUSTAINABLE.TO Architecture + Building and we expect you to continue to engage them to deliver the Healthy by Design project deliverables.

I look forward to working with you in the near future.

Sincerely,

CAPREIT Limited Partnership  
By its sole General Partner CAPREIT GP Inc.
