

Attachment 1: TPH Action Plan on Intimate Partner Violence, 2016-2019

Prevention of IPV

- Goal 1: Expand parenting education and support
- Goal 2: Expand education on healthy relationships from middle childhood to adolescence
- Goal 3: Address social and cultural norms that perpetuate IPV and other forms of gender-based violence

Early Identification of IPV

- Goal 4: Increase staff capacity to identify and respond to clients affected by IPV
- Goal 5: Ensure equitable access to TPH programs and services
- Goal 6: Increase TPH capacity to address IPV in the workplace
- Goal 7: Increase the public's capacity to identify and respond to those affected by IPV

Response to IPV

- Goal 8: Increase access to resources and services that protect, support, and empower
- Goal 9: Foster coordination and collaboration
- Goal 10: Improve surveillance and research on IPV
