Subject: Proposed federal-provincial-territorial task force on the legalization and regulation of marijuana

From: Councillor Jim Karygiannis

Please consider the following motion at today's Licensing and Standards Committee.

City Council request the City Manager write to the Minister of Justice and Attorney General of Canada requesting that the City of Toronto be included and participate in the proposed federal-provincial-territorial task force on the legalization and regulation of marijuana to ensure that the City's interests are addressed including ensuring that the permitted locations for the selling of marijuana is appropriate and recognizes the need for appropriate distance requirements to other uses such as schools, daycares, residences, etc.
