To the Municipal Licensing and Standards Committee Members:

I am writing on behalf of GYRA (Greater Yorkville Residents Associations) to ask that members of the committee vote to approve the Staff recommendation 1b of item LS13.1 at the upcoming meeting on September 21st. This will give additional time for the Toronto Public Health Noise Monitoring Study to be completed and for the Noise Working Groups to be constituted and do it's work.

Can you please acknowledge receipt.

Thank you,
Alan Baker
Vice-President
GYRA
