**Car 2 Go Parking on Residential Streets - by Councillor Sarah Doucette, seconded by Councillor Cesar Palacio**

*\* This Motion has been deemed urgent by the Chair.*

*\* This Motion is not subject to a vote to waive referral. This Motion has been added to the agenda and is before Council for debate.*

**Recommendations**

Councillor Sarah Doucette, seconded by Councillor Cesar Palacio, recommends that:

1. City Council request the General Manager, Transportation Services to:
  - a. contact Car2Go to advise them that they can only park on City streets in a manner that is in full compliance with all parking regulations;
  - b. request Toronto Police Services, Parking Enforcement to actively monitor to ensure Car2Go fully complies with all parking regulation; and
  - c. initiate a public awareness campaign that informs the public that Car2Go needs to comply with all parking regulations, and for the public to direct any complains about non-compliance to the Toronto Police Services, Parking Enforcement.

**Summary**

After being denied by the Public Works and Infrastructure Committee, Car2Go has unilaterally allowed the parking of their fleet of vehicles on residential streets as of March 31, 2016.

Availability of parking for permit holders remains a concern in wards across the City. In order to maintain the availability of parking spaces for residential users, Cars2Go must act within the confines of the law.
