Review of Registration at Recreation Programs - by Councillor Frances Nunziata, seconded by Councillor Maria Augimeri

** Notice of this Motion has been given.*

** This Motion is subject to referral to the Community Development and Recreation Committee. A two-thirds vote is required to waive referral.*

Recommendations

Councillor Frances Nunziata, seconded by Councillor Maria Augimeri, recommends that:

1. City Council direct the General Manager, Parks, Forestry and Recreation to review the current registration process for recreation programs across the City and to report to the Community Development and Recreation Committee on a strategy to ensure that local residents are given priority registration in recreation programs offered in their neighbourhoods, in particular where programs are offered free of charge.

Summary

Residents have reported that they are unable to register for programs at their local (priority) community centres due to the overwhelming interest in free programs across the City.

This Motion would ensure that local residents be given priority.
