Recommendations

Councillor Paula Fletcher, seconded by Councillor Mary Fragedakis, recommends that:

1. City Council authorizes the City Solicitor, along with appropriate City staff, to attend the Ontario Municipal Board and to retain outside consultants, as necessary, in order to oppose the approved variances requested in Application A0387/16TEY respecting 66 Brooklyn Avenue.

Summary

The applicant has applied to the Committee of Adjustment, Toronto and East York Panel, for minor variances from the City-wide Zoning By-law 569-2013 and former City of Toronto Zoning By-law 438-86 to alter the existing two and a half storey detached dwelling by constructing a rear two-storey addition, a rear deck, and a rear detached garage. The Application is known as municipal file number A0387/16TEY.

On July 27, 2016, the Committee of Adjustment, Toronto and East York Panel approved the requested variances on condition. Prior to the Committee of Adjustment, Toronto and East York Panel's Decision, the applicant modified the Application, removing variances related to the rear detached garage.

The Committee of Adjustment, Toronto and East York Panel's Decision to approve the Application was appealed to the Ontario Municipal Board by an immediate neighbour. The Appeal is known as Ontario Municipal Board File PL160902.

This Motion will give the City Solicitor, along with appropriate City staff, authority to attend the Ontario Municipal Board and to retain outside consultants, as necessary, in order to oppose the Committee of Adjustment, Toronto and East York Panel's Decision approving the Application and oppose the approved variances.

This matter is time sensitive and urgent as the Appeal is scheduled to be heard by the Ontario

Municipal Board on February 3, 2017.
