Subject: Toronto Agenda Item 2016.MM18.7 - Motion to appoint additional panellists for NY Committee of Adjustment
Date: Thursday, April 28, 2016 11:54:37 PM

Dear Councillors:

The Lytton Park Residents' Organization (LPRO) supports Councillor Filion's motion requesting additional panelists for the North York to Committee of Adjustment Panel to deal with the increased workload . We ask that you vote to support this motion at the City Council Meeting on May 3, 2016. Between Councillor Filion;s Ward and our Ward 16, we represent 50% of the Committee of Adjustment applications for the 11 North York Wards. Please vote to approve, this Motion. At one time North York did have two Panels and that policy needs to be reinstated.

Thank you,
Arlena Hebert
President
