**Re:** *Demolition of house at 73 Plewes Road, Toronto*

This letter confirms that the Toronto Catholic District School Board, as owner of the property at 73 Plewes Road, has applied for a demolition permit to remove an existing house at the noted address. The future use of this land is to expand the open play space for the neighbouring TCDSB school - St. Norbert Catholic School located at 60 Maniza Road and the TCDSB will not develop a residential building on the lands at 73 Plewes Road.

Yours truly,

Michael Loberto
