Subject: Parking Prohibitions - Neptune Drive (Ward 15)

SUMMARY:

The purpose of this motion is to amend the existing stopping regulations on the north side of Neptune Drive between Bathurst Street and a point 214 metres west of Bathurst Street. The implementation of the parking prohibition on the north side of Neptune Drive will allow for the safe drop-off/pick-up of students attending Associated Hebrew Schools of Toronto, Posluns Campus.

As the Toronto Transit Commission (TTC) operates a transit service on Neptune Drive, City Council approval of this report is required.

RECOMMENDATIONS:

That North York Community Council recommend:

1. City Council rescind the stopping prohibition at anytime, on the north side of Neptune Drive between Bathurst Street and a point 214 metres west of Bathurst Street.
2. City Council prohibit stopping at anytime, on the north side of Neptune Drive between Bathurst Street and a point 81 metres west of Bathurst Street.
3. City Council prohibit parking at anytime, on the north side of Neptune Drive between a point 81 metres west of Bathurst Street and a point 134 metres further west.
