140 Dinnick Cres. Historic Home Demolished; 2012

- This house was east of Mt. Pleasant, outside of the proposed HCD
- The Owner thought a heritage designation wasn't fair so he appealed, and won
- 82-year-old Tudor home bulldozed because owner was only interested in building a mansion

Conclusion

- Our City's History is being erased as we speak
- SOMETHING HAS TO BE DONE, NOW!
- Interim Measures are a **MUST!**
- We cannot wait another second to act
- The entire neighbourhood is at stake
- PLEASE take action!!!

If nothing is done, every historic home may look like 140 Dinnick by 2025
